

Rob and Connie Welz  
(Parents of Warm-Up & Cool-Down Client Katie Welz)

Our daughter, Katie Welz, has worked with Garrett Krug as her off-ice warm-up coach at competitions for five years. We believe that Garrett does an excellent job of preparing our child for her competitions, and we recommend him with great confidence. Besides being a great warm-up coach, he always provides great moral support to help Katie at every competition.
